

## Guess the Famous Person

**Type of activity:** Warmer – guessing the names of famous people

**Aims:** To practise asking yes/no questions and to describe people

**Level:** All, though probably better from A2 (Elementary) up

**Materials:** Names or pictures of famous people

**Procedure:**

1. Sts stand in line in front of teacher with backs towards you. (You could first make them get in line according to alphabetical order of names, or months of birthdays, then tell them to turn round.)
2. Stick a picture or name of a famous celebrity, eg sports star, actor, politician, singer, etc on their backs with some sticky tape.
3. Sts mingle looking at names/pictures on each other's backs and asking questions to find out who they are.
4. Continue until everyone has discovered their own mystery celebrity identity.
